Press Release

RITES and SMEC sign MoU to explore infra projects

Gurugram, January 10, 2022: RITES Limited, a leading Transport Infrastructure Consultancy and Engineering company, signed a memorandum of understanding (MoU) with SMEC Group to cooperate and explore infrastructure projects.

Senior officials of RITES Ltd and SMEC Group at the MoU-signing ceremony in Gurugram

The MoU will enable RITES and SMEC to collaborate and cooperate to explore, identify, pursue, and jointly execute mutually beneficial business opportunities in the infrastructure sector. It will allow both companies to leverage each other's expertise and technologies to optimise operations and expand on a global level.

The collaboration will facilitate knowledge sharing and the development of business proposals, including exploring consultancy opportunities arising at various government/semi-government/autonomous bodies or authorities/private entities/multilateral-funding agencies.

About RITES Limited:

RITES Limited is a Miniratna (Category - I) Schedule 'A' Public Sector Enterprise and a leading player in the transport consultancy and engineering sector in India, having diversified services and geographical reach. The company has experience spanning 47 years and has undertaken projects in over 55 countries across Asia, Africa, South America, and Middle East region. RITES Limited is the only export arm of Indian Railways for providing rolling stock overseas (other than Thailand, Malaysia and Indonesia).

About SMEC Group:

SMEC is a global engineering consultancy firm owned by *Surbana-Jurong (SJ) Group* - a global urban, infrastructure and management consulting firm. Leveraging its 70-year history of providing construction supervision, consultancy services & project management support, SMEC provides technical expertise and advanced engineering services to resolve complex challenges in roads, highways, rail, metro, airports, hydropower, and renewable energy markets and has delivered projects in more than 100 countries.
