RITES & Botswana Government sign MoU to Modernise Railway and Transport Infrastructure in Botswana

Gurugram, December 19, 2025: RITES Ltd., a prime transport infrastructure consultancy, today signed a Memorandum of Understanding (MoU) with the Government of the Republic of Botswana, represented by its Ministry of Transport and Infrastructure, to collaborate on the development and modernisation of transport infrastructure in Botswana.

The partnership aims to accelerate the growth of Botswana's railway and transport infrastructure by deploying advanced technologies, global best practices, and capacity-building initiatives to strengthen local capabilities and enhance efficiency, safety, and reliability across the sector.

Officials of RITES Ltd. and Government of Botswana with Minister of Transport and Infrastructure, Botswana, Mr. Noah Salakae and H.E. Bharath Kumar Kuthati, High Commissioner of India to Botswana at the MoU-exchange ceremony.

Under the MoU, Botswana will draw upon RITES Limited's extensive technical expertise for the development and modernisation of railway systems. RITES' scope of support will include the supply of rolling stock; commissioning, repair, operation and maintenance support for railway systems; and modernisation of workshops. The collaboration will also cover transport infrastructure development projects spanning railways, highways, bridges, airports, and buildings.

In addition, RITES will provide capacity-building and technical training programmes, facilitate knowledge exchange, deliver quality assurance services including third-party inspections, pre-shipment inspections, and final acceptance testing and deploy advanced information technology solutions such as integrated train operations and passenger management systems.
