RITES, OIL collaborate to develop Duliajan Township as Mini Smart City

Gurugram, December 08, 2023: RITES Ltd, a prime transport infrastructure consultancy and engineering firm, has entered into a memorandum of understanding (MoU) with Oil India Limited, the second largest National Oil Company, to develop Duliajan Township, Assam, as a Mini Smart City.

Officials of RITES and OIL at the MoU-signing ceremony

As part of the MoU, RITES will undertake an extensive study, review the existing system and prepare a suitable/feasible design to develop Duliajan Township, managed and operated by OIL, as a Mini Smart City. The collaboration, aimed at reviving the Township, entails infrastructure works such as review of existing drainage system and design, DPR for integration of Solid Waste Management System, review of road & traffic network and plan for parking facilities. Besides, RITES will offer its expertise for buildings, horticulture and beautification works.

Leveraging its core strength of consultancy, RITES continues to provide comprehensive, efficient, and advanced solutions for developing infrastructure and related facilities in North-Eastern states.
